A-maize-ing Popcorn

Popcorn pops because a tiny bit of moisture, or water, is inside every tiny kernel. When it gets really hot, BAM! Color all the popcorn pieces that rhyme with pop and hot.

Jump rope Rhyme
Here’s a jump rope rhyme for you to try at home or recess.

Popcorn, popcorn, in the pot.  
Popcorn popcorn, piping hot!  
When it’s gone, please don’t pout.  
Just make sure that you jump out!  
P-O-P-C-O-R-N

Did You Know...
Every person in America eats more than 41 quarts of popped popcorn each year!

Popcorn is one of five types of maize. The others are flint corns, flour corns, dent corns and sweet corns.

Most people associate the consumption of popcorn with the very best of family times.

Write about a time you had popcorn with your family or friends.

1st / 2nd grade
