Popcorn Everywhere!

Bermudian Springs High School
Working with small children at the Interact babysitting event. They loved coloring in the Santa popcorn character created by an art student.
Hanging popcorn feeders on the trees outside the art room. On day two, the birds had already cleared them and it was time to re-fill them!
Recipes were shared!

- Cinnamon Sugar Popcorn
- Jalapeno Cheddar Popcorn
- Chewy Caramel-Coated Popcorn
Le popcorn Loto
French Bingo played with corn kernels
Kids Activity Page

Look & Find
the images in the pile of popcorn!
Guess the Number of Kernels in the Jar!

Our student body was invited to guess the number of popcorn kernels in the jar. Some students used mathematical equations to try to determine the number. Measuring the container’s height and circumference, they were determined to figure it out. But there was only one winner!
Our lucky student who guessed the correct number of kernels in the jar! She won two free movie tickets!
Our survey revealed that our students love popcorn with all types of toppings, but prefer buttered popcorn the most!
A surprise visit to Health class to share nutrition information with students. They learned the calorie content of popcorn and were treated to a popcorn snack!
Popcorn Artwork!
Little Red in his tower.

A Popcorn Mythical Beast!
“Pop Art”
created with Popcorn!
Giant Popcorn model made out of popcorn!

Popcorn from 2-D to 3-D!
Our version of VanGogh’s *Starry Night*
Popcorn Creativity Challenge… What can you turn your popcorn kernel into?
Adding popcorn ball ornaments to our Christmas tree in the cafeteria!
A Popcorn themed Pinata featuring the Batman Logo!

Breaking open the Pinata!

Scrambling to get the candy and toys from the pinata!
A winter cottage scene created with popcorn enhancements!
Artwork inspired by the movies. Can you guess the movie reference?
